

# Children in Care Council

Juniors (ages 6 - 12)

The Junior Children in Care council is a voice  
for younger children in care.

We meet every school holidays and talk about things that matter to us in care and make a difference.

We:

Talk about things that are important to us in care

Take part in interviews

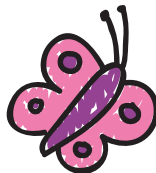

Make decisions for children in care

Have fun

Play games

Go on trips

Know how children in care are feeling

We get paid a voucher for our time and get snacks at meetings.

# Children in Care Council

Juniors (ages 6 - 12)
